授業概要及び授業方法	In preparation for their six-month or three-month study abroad, students will learn lifestyle and cultural differences between Japanese and American households and classes through lectures and discussions. In order to help students learn how to communicate their thoughts and feelings in English, students and instructor will role-play various situations which the students will potentially encounter while living in America. Students will also practice communicating in English through pair work and presentations. Lessons will concentrate on communicating solely in English.

授業時間外の学習	Every week, students will study and memorize useful English expressions and vocabulary for a weekly quiz. Two extended homework assignments regarding cultural differences and expressing opinions will be given. Students must prepare presentations in English. Students are expected to spend approximately 8 hours each week reviewing the lessons, completing homework assignments, studying for weekly quizzes, preparing for the next lesson and preparing for their study abroad.								
授業の到達目標	Students will gain a deeper understanding of the differences between Japanese and American households and classes. By recognizing these differences in lifestyle and culture, students will reduce their culture shock during their study abroad.								
課題に対するフィードバック	Upon returning each quiz, we will review and discuss the correct answers. After each presentation, students are expected to ask the speaker questions where information was lacking.	評価方法・基準		Active verbal participation in English in class - 20%, Homework and quizzes - 25%, Extended homework assignments - 25%, Final examination - 30% Criteria of evaluation is based on the goals of the class.
